OSTEOPATHIC HOSPITAL
ST. JOSEPH, MO.

—Mrs. Cass Jones, who has been here for a week visiting her sisters, Mrs. Minnie Eiler and Gusto Upperman, returned to her home in Rulo, Neb., Sunday last.

—Ferd Rostock went over to White Cloud, Kansas, Monday, along with Wm. Morris, and his son, Harold Rostock. Ferd went solely to visit Roland Hayes, a former company comrade of the 25th Mo. Inf., whom he had not seen since his discharge in 1864. Roland is a son of Isaac Hayes, one of Holt's centenarians, who died Oct. 18, 1880, at the age of 102 years.

—Tomato Plants for sale.
SAM HUIATT.

—James A. Foster, of St. Joseph, was a business visitor in Oregon, Monday of this week.

—Up to May 1, 1921, the state automobile department had issued licenses to 296,501 motor vehicle owners, the increase for this year over the corresponding period being 44,063.

—Allan Bunker is home from Manhattan, Kansas, where he has been a student in the state agricultural college.

—The Misses Mildred and Dorothy, daughters of Mr. and Mrs. Frank Walker, of Bigelow, will attend the summer term of the Teachers' College at Maryville.

FARM BUREAU NOTES.

Pig Club Day, June 25.

The above date has been set for distribution of pure bred gilts to the pig club boys and girls. The distribution will be held at Mound City, and there is yet room for other boys and girls in the club. Just briefly, we will say that the pig club work is open to all boys and girls between the ages of 10 and 18.

Pure bred gilts will be purchased for the boys and girls who return their contracts by the 15th of June. These gilts will not cost to exceed \$20.00 and will grow into hogs of which the boys and girls will be proud. Club members will be required to keep a record of the feed fed and labor expended in producing these gilts. A pig club show will be held this fall and some nice prizes will be offered. The club will not close until the fall of 1922, when these gilts will have produced a litter and the litter has been grown to salable age. At this time we will have a pig club run-up and sale.

We hope there will be other boys and girls yet to take advantage of this pig club work.

What is Co-operation?

Perhaps there is no word in the English language that is being more used just now in gatherings of farmers or that means more to the farming industry than "co-operation." What is "co-operation?" We have heard the word used casually when apparently those who listened did not grasp its full significance. We have also heard many attempts to define it. It is our opinion that George A. Mansfield, president of the Oregon Farm Bureau Federation, has a broad and real conception of what "co-operation" means. Here is how he defines it:

"Real co-operation is not something that can be written down as a fixed rule to follow. It must be written in the heart. It is not an understanding among a number of people who agree in their minds to act in concert, but rather an earnest determination of a group of people to ignore all minor differences of opinion and act absolutely together in the furtherance of the cardinal principle involved. For the sake of the greatest good for the greatest number. Anybody can co-operate with those who absolutely agree with him, but we must learn to co-operate when most of our co-operators disagree with us. A concerted and earnest effort made jointly by a body of men and women to solve a question of common interest with an implied agreement that all shall abide by the result of the common effort and earnestly support it—that is what I mean by co-operation. If a farmer will co-operate in this way he will find a solution of all his difficulties as nearly as it is humanly possible to solve them. Each of us must concede a little in order to harmonize our differences and truly co-operate."

Farmers Buy Twine.

At the request of a number of farmers in the river bottom, the Farm Bureau office got quotations and samples of twine last week. This is the same twine which the Jackson County Farm Bureau selected from a number of samples submitted to them in whole ball lots, they having unrolled and measured each of the samples and examined them for evenness of weave.

We cannot state definitely at this time just how many pounds of twine have been sold among the farmers, as they are taking their own orders, the Farm Bureau only furnishing the information as to prices and quality of twine.

This twine will be delivered to these farmers at 13 3/4 cents per pound. The Farmers' Exchanges at Craig and Mound City are also including an order for a quantity of twine in this shipment. We are very glad to be able to say that the Farm Bureau and the Farm Clubs are functioning together for the best interests of all concerned.

Farmers' Oil Company Holds Meeting.
The Farmers' Oil Company, of Mound City, held a postponed annual meeting at the old Farmers' Exchange building in Mound City, on Saturday, afternoon, June 4. Officers for the ensuing year were elected and a financial report was read and a new constitution and by-laws adopted.

●The Farmers' Oil Company is doing a very flourishing business here and are worthy of the patronage of every farmer. The genial farmers, Charlie Loucks and William Elder, are always on the job.

Road Convention, June 16-17.

The sixty million dollar road convention will be held in Jefferson City, Missouri, on June 16 and 17, at the Carnegie Library. This will be a meeting of delegates which have been elected from all rural counties of Missouri. Reports indicate that there will be large delegations from various sections of the state.

This county will send a representative from each township. These representatives were elected at a meeting held in Bigelow on April 9.

Questionnaire Again.

On Friday, May 27, the Farm Bureau Questionnaire was mailed to every Farm Bureau member in the county. Last week's news notes reminded you of the fact that we would like to have this questionnaire back in the office if you had failed to send it before you read the notes. Up to this date, there are a number out yet. Farmers, stop, look and listen! Think a minute!

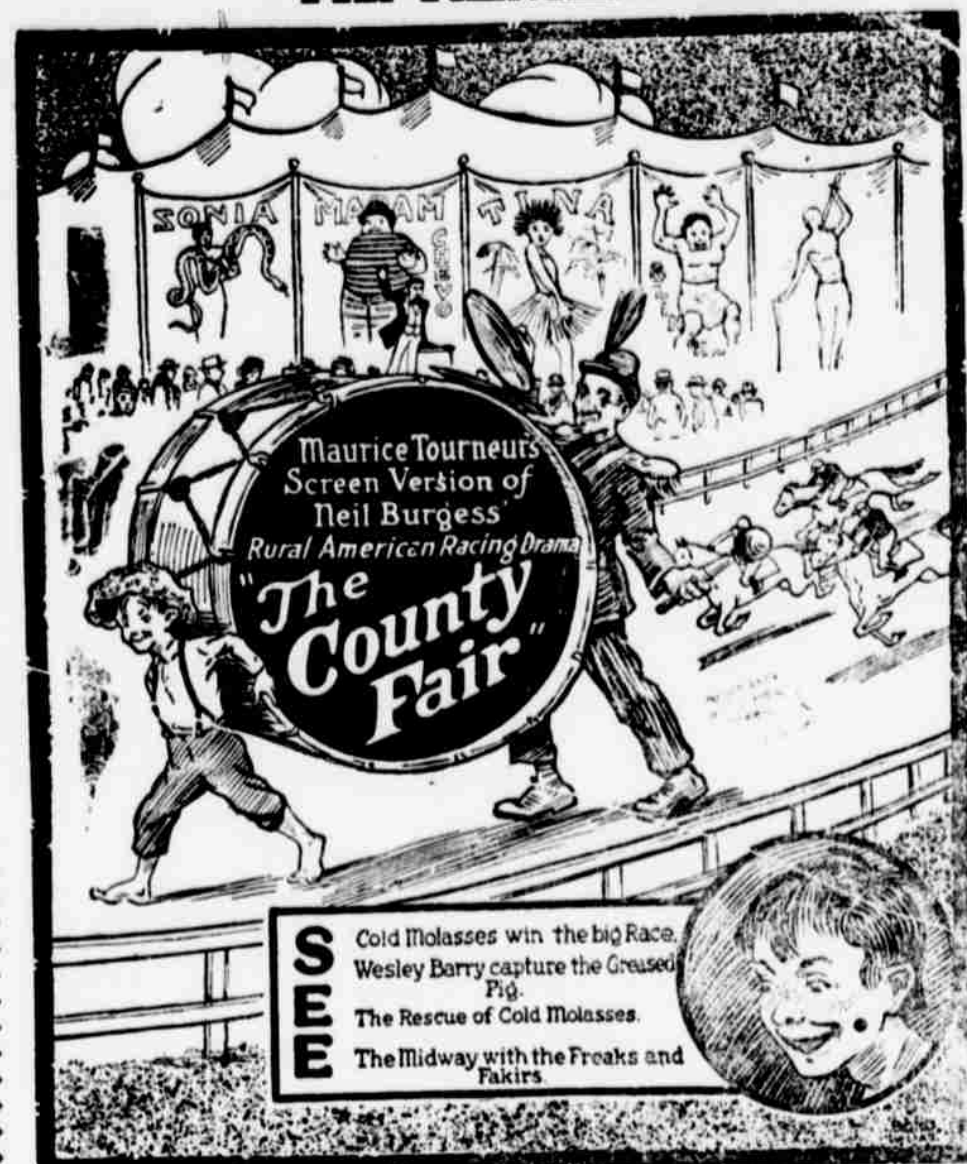

This is the first opportunity you ever had to express your opinion on as many different questions in an organized effort which is bound to bring results. Can you afford to pass this questionnaire up and fail to return it to us?

The more questionnaires which are returned, the more weight it will have in Washington. If all counties fall down fifty per cent, it will not carry its whole weight before the Congressional committees. If you have not sent in your questionnaire, do it by all means while you think about it.

ROSS NICHOLS, County Agent.

—County Clerk Daniel B. Kunkel had business in Jefferson City, this week.

"ASK DAD HE REMEMBERS"

The County Fair is the Greatest Picture of the year. Come, bring your Children, Friends and Neighbors, and they will have more fun than at a Circus. A Moving Picture Just as Real as Life.
Full of Laughs, Thrills and Cries.

STREET PARADE--Friday-Saturday Afternoons

—For Sale—Iron Baby Crib and Sully—Good as new. Call on or address, Mrs. George W. Sipes, Oregon, Mo., R. 5.

—H. A. Evans, wife and daughters, Misses Lavina and Margery, motored to Kansas City, Sunday last, where they visited Mr. Evans' brothers, returning home Monday.

—C. D. Zook and wife left Tuesday of this week for the East, their principal points of interest being Johnstown, Pittsburgh, and Philadelphia, Pa., but Johnstown will be their headquarters, where they will visit relatives. They will be absent two or three weeks.

—James Curry entered the Sentinel office, Monday of this week, to start in learning the Art Preservative. We predict that he will make a success of mastering it. He has the snap and application.

—Mrs. George Gelvin will teach the 3d and 4th grades of the Maitland schools. She is an experienced teacher and we are glad to have her "come back" to the school work.

—Lewis-Forbes District Sunday School convention will be held Sunday, June 19th, 2 p. m., at Forbes M. E. church. Program in next week's Sentinel.

—L. I. Griffith and Jess Fleener, of Mound City, had business in Oregon, Monday of this week.

—Emmett Hinkle and son, Everett, and Roy Hill were down from Fortescue, Monday of this week. Emmett informs us that he will have a "round-up" with six or seven horses in the ring at Coke Jackson's park, next Sunday, June 12. An admission fee of 40 cents will be charged. Go and see them try to ride the big famous "Hide-Rack" who has never been rode.

—Miss Olive Smith, a teacher in the schools at Maryville, is home for the vacation period with her parents, Rev. F. J. Smith and wife.

—Born to Mrs. Jessie Crowell, a 11½-pound son, June 1, Dr. W. S. Wood in attendance.

—Harry Pollock, wife and children and Mrs. D. B. Kunkel motored to St. Joseph, Saturday last.

—Mrs. India Price was in Kansas City, this week, in attendance at the graduation of her granddaughter, Miss Virginia Caskey, daughter of H. W. Caskey and wife, from the eighth grade. She was accompanied by little Kathryn Wood, who goes to visit her aunt, the Misses Anna and Alice Barbour.

—A. R. Holdeman, of Hutchinson, Kansas, was in Oregon, Friday of last week, looking after some real estate interests.

—Lester Kneale has returned home from Wentworth Military Academy, Lexington, this state, where he had finished a three-year high school course. He is a son of Mrs. Clara Kneale.

—Miss Eva, age 13, daughter of Judge and Mrs. Fred Lawrence, is now in possession of the silver trophy cup, which she won in the county spelling match, April 8.
